

My name is Ashley Rose and I'm a professional, corporate close-up magician based in Swansea, South Wales. I travel across the UK performing in weddings, birthdays and other types of occasion and event. I take pride in providing the very best entertainment to suit my clients and the their occasion.

As a professional and established magician, I have broad experience of working in different venues, including businesses, leisure centres, hotels, banquets, clubs, private homes and many more. I am currently Vice Chairman of The Society of Magic South Wales, and Police Checked with an Enhanced CRB Disclosure certificate to enable me to work with adults and children alike.

I've performed for many companies both large and small; such as Team Force Paint-Balling Ltd, Luminar Leisure's biggest nightclubs such as Oceania, Play, Envy, The Jam House and Liquid. I'm also Luminar's resident magician at their 'Wind Street' club in Swansea. I've also performed at other venues such as La Tasca, Odessey, Peppermint and The Lounge.

I'll amaze and entertain you and your guests with tricks and illusions, such as card magic, coin illusions, elastic band effects and fire breathing. There's also additional fun and games for kids, such as face painting and balloon modelling. One things for sure, you can expect the unexpected ...*prepare to be amazed!*
